BLANC

Home reed diffuser 250ml

Ten fragrances that reveal their personality in an entirely white packaging: white glass bottle, white top, white fibre sticks. Finally, a packaging concept where the design surfaces from the white canvas with strokes of shiny transparent varnish that attracts the eye, but also the touch.

Dieci fragranze che rivelano la loro personalità in una confezione di bianco assoluto: flacone in vetro bianco, tappo bianco, bastoncini in fibra bianca.

E per finire un packaging dove il design affiora dal foglio candido con pennellate di vernice trasparente lucida che si fa guardare, ma soprattutto toccare.

Dix fragrances qui révèlent leur personnalité dans un conditionnement d'un blanc absolu : flacon en verre blanc, bouchon blanc, bâtonnets en fibre blanche. Et pour finir, un emballage où le design se présente sur la feuille candide avec des coups de pinceau de peinture transparente et brillante qui attirent le regard et surtout donnent envie de les toucher.

Zehn Duftrichtungen, die ihre Persönlichkeit in einer Verpackung in reinstem Weiß verbergen: Flakon aus weißem Glas, weißer Verschluss, weiße Stäbchen. Und abschließend eine Umverpackung, deren Design sich in schneeweißem Papier mit glänzenden, transparenten Pinselstrichen zeigt, das Sie nicht nur sehen, sondern vor allem fühlen können.

FOREST

Nature can set up extraordinary shows.
The stage is immense, lights amazing,
actors infinite.

In nature, nothing is perfect,
and everything is perfect.

Trees can be twisted, oddly bent,
but nonetheless very beautiful.

No aesthetic human invention
can compete with it.

The actors step out on stage, a leaf,
a small mushroom,
a frog, a snail or a butterfly;
and now Let's start the show

*La natura può creare spettacoli straordinari.
La scena è immensa, le luci meravigliose, i personaggi infiniti.
In natura nulla è perfetto e tutto è perfezione. Gli alberi possono essere deformati, piegati nei modi più bizzarri, ma malgrado tutto, tutto è incredibilmente bello. Non c'è opera dell'uomo che possa competere con essa. Ecco gli attori protagonisti che entrano in scena: una foglia, un funghetto, una ranocchia, una lumaca e una farfalla. Inizia lo spettacolo...!*

*La nature est capable de créer des spectacles extraordinaires.
La scène est immense, les lumières étonnantes, les figurants infinis.
Dans la nature rien n'est parfait et tout est parfait. Les arbres peuvent être déformés, arqués de manière étrange, mais, malgré cela, très beaux. Aucune invention esthétique de l'homme peut rivaliser avec elle. Les acteurs entrent en scène, une feuille, un champignon, une grenouille, une limace ou un papillon. Que le spectacle commence!*

*Die Natur kann außergewöhnliche Aufführungen inszenieren.
Die Bühne ist riesig, die Lichter erstaunlich, die Auftritte grenzenlos.
In der Natur ist alles und nichts perfekt. Bäume können gewunden und bizarr gebogen sein, aber trotzdem schön aussehen.
Keine vom Menschen erdachte ästhetische Erfindung kann mit ihr konkurrieren. Die Schauspieler kommen auf die Bühne: ein Blatt, ein Pilz, ein Frosch, eine Schnecke oder ein Schmetterling. Möge das Schauspiel beginnen.*

Car air freshener

MAD FOR THIS BABY!

Gigi, is a cute, tender and cuddly baby. Take him with you in the car and he'll crawl like an infant over your air vents to gently perfume every moment of your trip.

DESIGN BY STEFANO GIOVANNONI

MADE IN ITALY

Gigi, col suo sederino all'insù, è un cucciolo tenero e coccoloso. Portatelo a passeggio in auto con voi, camminerà su quattro gambe come un neonato sulle vostre bocchette dell'aria e profumerà teneramente ogni istante del vostro viaggio.

Gigi, avec son petit derrière en l'air, est un petit enfant tendre et câlin. Promenez-le avec vous en voiture, il marchera à quatre pattes comme un nouveau-né sur vos bouches d'air et parfamera agréablement chaque instant de votre voyage.

Gigi, der süße und kuschelige Welp, reckt seinen Po in die Höhe. Nehmen Sie ihn im Auto mit. Auf seinen vier Beinen krabbelt er wie ein Baby auf den Lüftungsschlitzen und wird jeden Moment Ihre Reise mit einem zarten Duft versehen.
